Instructors

Wendy Knight	Stephanie Tiwari
Margaret Martin	Jill Adrien
Audrey Smith	Kristin Elliot

Class Description

All of the classes described below (unless otherwise indicated) have a 5 – 10 minute warm-up, followed by 20 – 30 minutes of aerobics and a 5 – 10 minute cool down with stretching and abs at the end

- Abs & Glutes - If you are sick and tired of dealing with those problem areas then this is the class for you, with a high intensity focus on both the Abs and Gluteus.
- Boot Camp (BC) - A military style workout that has been modified to fit the format of an aerobics class. It involves lots of running and jumping type movements. Class is not recommended for beginners or for people who have lower back, knee or ankle problems.
- Cardio Kick (CK) - An awesome workout that offers both kickboxing and a mixture of low impact aerobics.
- Step (Step) - This is a great cardiovascular workout that involves stepping up and down on a platform.
- BOSU - This class is based around a half ball called a BOSU, which stands for “Both Sides Up”. Great class for balance, core strength, toning, , and cardio.
- Barbell Plus - Strength training class using barbells, free weights, bands, balls & More
- Circuit Plus - A whole body workout using workout stations combining cardio & strength training. Abs also included. A great way to workout at your own pace.
- SilverSneakers (Muscular Strength) - Have fun & move to the music through a variety of exercises designed to increase muscular strength, range of movement, & activity for daily living. Hand-held weights, tubing & ball are used & a chair is used for seated or standing support.
- Senior Aerobics (50 & Up) - An excellent overall body workout for seniors 50 +.
- Instructor Choice (Ins Ch) - The instructor can decide the class type.
- Cardio Strength - A class with a mixture of Cardio work and Strength movements for the whole body . Ab & core work included.
- Yoga - A class that begins with classic Yoga routines continues with strengthening postures and concludes with breathing and relaxation exercises. A Yoga mat & block are suggested. Participants with spinal problems should use caution.
- Lunchtime & Strength Express - 30 minute full body workout concentrating on cardio or strength or a combination of both. A great way to spend your lunchtime!!
- Cardio Core- 20-30 minutes of some type of Cardio exercise with Core exercises at the end.
- Pilates - This class is great for strengthening the core muscles in your body. Each exercise is designed to develop strength in the abdominal and lower back.
- Yogalates- A great core and overall body strengthening workout combining Yoga & Pilates movements integrated together. A Yoga mat is suggested.
- 20/20 - This class is a highly intense workout the offers a huge variety with 20 minutes of high energy and high intensity aerobics and 20 minutes of conditioning with a mix of total body, core, yoga, flexibility and / or abs.
- Zumba - Come join the newest class rage!! High energy Latin aerobic dance class. Great calorie burner!! This class is for All levels
- BellyDance - Great Hip/Thigh/Glutes & Abs workout!! Using traditional bellydance movements. Class is for All levels..
- Step & Sculpt - Basic to advanced level step class with weights or bands in intervals or at the end of class. Class includes Abs & Stretch.
- Step Kick - Basic to advanced level step class with kick boxing movements added into the workout. Class includes Abs & Stretch.
- Fit Kids - A fun way for your child to get a little exercise along with nutrition & fitness facts to use in their everyday life.
