What?

Adventure camp provides a challenging and adventurous program for youth who are looking for more than a traditional day camp. Older campers get the best from Discovery Camp with the added benefit of frequent and progressively exciting field trips. Youth in this age group need excitement and, that's why we supercharge their summer. Along with daily chapel and open swim, campers assist counselors in building their schedule with activities that include archery, team sports, outdoor living skills, Service Learning, and arts and crafts.

**Financial Assistance available for
all who qualify based on
household income, size and
scholarship availability.**
