Short sports is a 4 week program designed to introduce youth ages 3-5 years old to the world of sports. These young athletes will learn skills in t-ball, soccer, track and field, football, kickball, hockey and basketball.

The eighth session is a nature hike along the Golden Strip Property and trails followed up by an awards ceremony in which each child will receive a certificate of completion.

These activities, along with the 4 YMCA character values of Caring, Honesty, Respect, and Responsibility, will start your child on their way to a healthy future in YMCA athletics where **"Everybody plays. Everybody wins."**
