SHOES FOR SHARING AT THE SPECIAL OLYMPICS

GHS FAMILY YMCA, SIMPSONVILLE, SC
PARTNERING WITH SHOES FOR SHARING MINISTRY
FRIDAY, APRIL 21, 2017

The GHS Family Y has been a partner with the Shoes For Sharing Ministry for several years. Our members continue to amaze us as they bring in their new and gently-used shoes and fill barrel, after barrel, after barrel so that others in our community have shoes to wear. On this special day, 10 of our volunteers spent the better part of their day at the Special Olympics event on the Furman University Campus where they served over 300 participants by helping to size and outfit them with shoes that we had collected. In addition, there had many socks and shirts given for this cause and so we were further able to help by giving them some new items to enjoy.
